Committed to Equal Opportunity and Reasonable Accommodation

CRIME ANALYST II

(Police Department – Office of Management, Budget and Research)

OPENING DATE: September 25, 2006

CLOSING DATE: Open until needs of the City are met. First review of applications will be Monday, **October 9, 2006** – position may close at that time.

ANNUAL SALARY RANGE

\$51,133 - \$69,028

This position is currently listed as FLSA Exempt – not eligible for overtime compensation. Employees in this position are represented by the Non-Supervisory Union (SEIU).

MINIMUM QUALIFICATIONS

Requires the equivalent to a Bachelor's degree from an accredited college or university with major course work in the social sciences or a related field, and the equivalent of two years of full-time, progressively responsible strategic and administrative crime analysis or applied social science research experience. A Master's degree is highly desirable. Experience using the following software preferred: SPSS, ArcView/ArcGIS, and Microsoft Office applications (Excel, Word, Access, and PowerPoint).

APPLICANT REQUIREMENT

Please read and sign the attached **Automatic & Discretionary Disqualifiers** and **Supplemental Questionnaire** and return it with your application. Referred applicants will receive a polygraph and background investigation. Applicants claiming veteran's preference need to attach the appropriate DD214 at time of application.

REPRESENTATIVE DUTIES

(For the complete job description go to: <http://www.tempe.gov/hrcc/docs>)

- Providing consultation services to police and City personnel on how to appropriately address and carry out research questions/issues.
- Creating database queries. Collecting, managing, analyzing, and interpreting data and statistics using quantitative and qualitative methods; and effectively applying research methodology. Producing detailed statistical reports that summarize research findings.
- Preparing and presenting complex and detailed statistical reports, charts, graphs, and maps.
- Interacting and working effectively with Police personnel, other City employees, representatives from other law enforcement agencies, the media, and the community on crime analysis/research issues; and responding to requests for various information and statistical reports.
- Using computer databases, electronic spreadsheets, desktop publishing, word processing, and statistical applications to manipulate, analyze, and present data.
- Communicating clearly and concisely in both oral and written form, and effectively disseminating information.
- Assisting with planning research designed to analyze and synthesize police data in order to forecast the future demands on police resources and recommend the future allocation of these resources. For example, staffing analysis or beat reconfiguration studies. Based on this research, prepare, edit and publish long-range and short-range planning documents to serve as a focus for department operations, budgeting, and scheduling.

- Providing information to police, City administration, and City Council for decision-making purposes; presenting analysis and statistics in various internal and external forums; and participating in and providing information to police/City committees.
- Conducting survey research that is designed to gather information from a large number of individuals. This involves survey tool development, survey administration, and analysis and interpretation of survey data. Producing detailed statistical reports that summarize the survey findings.
- Conducting comprehensive research projects, including assisting with program evaluation studies and other administrative studies as assigned.
- Maintaining the Crime Analysis Web Page.
- Reviewing current literature on research methodology and police issues.
- Making appropriate recommendations for improvements in crime analysis practices and procedures.
- Preparing and update procedures/protocols on crime analysis related activities.
- Recommending and implementing goals and objectives for special programs, projects and systems.
- Using geographical information systems (GIS) to analyze and present information. Developing and maintaining new geographic data layers.
- Providing crime analysis training to police and City personnel, outside professional groups, and other agencies/individuals/groups visiting the Police Department.
- Recruiting, interviewing, training, and managing Crime Analysis interns. Evaluating and monitoring the intern work flow and performance to ensure work is complete in a timely and appropriate manner.
- Manage the non-paid internship program; perform related duties as assigned.

SELECTION CRITERIA

Applicants whose experience and training most closely suit the needs of the City may be selected for further testing/interviews. The City of Tempe conducts thorough background checks. **Falsifying information or lying during any stage of the selection/hiring process will make you ineligible for new or continued City employment.**

Crime Analyst II

Supplemental Written Questions

Please complete the supplemental questions. Applications returned without the completed supplemental questions will not be given further consideration.

Each supplemental question focuses on a particular area of responsibility associated with critical job functions of the Crime Analyst II position. This supplement is designed to allow you an opportunity to highlight your professional experience as it relates to each of these vital areas. Since this is part of the selection process, it is to your advantage to fully and accurately provide the information requested.

DIRECTIONS:

Each answer should be typed and doubled spaced.

Along with each response, please include the following when discussing your experience:

- **Your employer(s) name**
- **Your job title(s) at the time**
- **Overall length of experience in years / months**

1. List the computer software applications you are skilled at using, and describe how you have applied each of the software applications at work and/or school.
2. Describe two significant research projects you have been involved in. Please describe the purpose and outcome of the research projects; the types of qualitative and/or quantitative analysis that were used; and specify the role you played in each project. Finally, please discuss what you would do differently if you could do the projects again.
3. Please attach a document that highlights your writing ability AND demonstrates your ability to develop and present statistical data (i.e. a research/administrative document that includes statistical analysis, and text that describes the analysis). Please use an example from work or school that was created within the last year.
